

## Duck Hunters Evening - Thursday 18th April 2024

Eastern Region Fish & Game is organising a duck hunters evening, just before the 2024 game bird hunting season. The aim is to educate hunters in our region on how to be more successful at attracting and hunting ducks, inform them of current bird management practices and wider hunting laws.

The evening's programme also aims to impart highly practical advice, while providing a fun atmosphere for those who attend.

Topics to be covered include:

- decoy layouts (ducks)
- duck calling
- maimai preparation
- gun fitting and patterning
- game bird management and laws
- tips and bits

Entry is free, and on arrival attendees will be handed a uniquely numbered token.

Random draws will be undertaken during the evening and the winners will receive products kindly sponsored by our supporters.

The duck hunters evening will take place; **Thursday, 18th April 2024 (7:00pm-9:00pm) at the Tatapouri Sports Fishing Club, 54 Esplanade, Gisborne Harbour**

Mark the date on your calendar, keep an eye out for more promotion of the event via our website, email bursts to our local area licence holders, Facebook, Instagram and Twitter.  
See you there!
