List reserve preference (1 = most preferred) in the appropriate column. If you have a preferred stand enter which number/s in that column. At this stage we are unable to determine the number of stands available in each reserve, as some hunters hand their stands in. If you have a son or daughter under 18 they can apply for the Orini or Ohaaki Adult & Junior Stand by writing a short letter to us explaining why they want the stand. Note the adult does not need to be the parent but they do need to adequately supervise them. Reserve location details can be found on the website: <https://fishandgame.org.nz/eastern/game-bird-hunting-in-new-zealand/where-to-hunt-game-birds/>
