GAME BIRD HUNTING CODE OF CONDUCT

Fish and Game New Zealand actively promotes responsible and ethical hunting practices. As game bird hunters we all have the following responsibilities, as detailed in the Game Bird Hunting Code of Conduct:

HUNT HUMANELY

- Shoot only within the effective range of our firearm and our capabilities, and only when a quick, clean kill is likely
- Retrieve all shot birds promptly and dispatch wounded game birds quickly and humanely
- Respect the resource, value our game birds and eat what we shoot

PROTECT GAME BIRD RESOURCES AND OUR HUNTING TRADITIONS

- Understand and observe all hunting regulations and licensing requirements
- Support game bird management and habitat enhancement activities
- Take no more than our immediate needs
- Share our knowledge and foster ethical attitudes and behaviour in hunting companions and youth

CARE FOR THE ENVIRONMENT

- Remove all rubbish from the hunting area and dispose of offal and carcasses responsibly
- Use non-toxic shot and biodegradable products.
- Use established tracks and roads

RESPECT THE RIGHTS OF OTHERS

- Respect private property and always obtain access permission
- Be considerate of non-hunters
- Be aware of our safety and the safety of others when hunting
- Comply with the Arms Act 1983 and always follow the 7 Firearms Safety Rules:
 1. Treat every firearm as loaded
 2. Always point firearms in a safe direction
 3. Load a firearm only when ready to fire
 4. Identify your target beyond all doubt
 5. Check your firing zone
 6. Store firearms and ammunition safely
 7. Avoid both alcohol and drugs when handling firearms

For further guidance about responsible game bird hunting read the full Code of Conduct at www.fishandgame.org.nz

STOP THE SPREAD OF AQUATIC PESTS

Protect our waters: **CHECK, CLEAN, DRY.** Check dogs, boots, decoys, boats and their trailers before you leave the area.

HUNTING LICENCE VALID NATIONWIDE

All game bird hunting licences can be used in all Fish & Game New Zealand regions. Day licences are valid only on or after the second Monday of the new season. It's important to note that if you're hunting in other regions you need to read up on the local regulations at www.fishandgame.org.nz. Fish & Game New Zealand sports fish and game licences are issued online, are processed electronically and comply with the Electronic Transactions Act 2002. Licences are issued centrally by a person authorised to issue licences on behalf of each Fish and Game Council.

GAME BIRD HABITAT STAMP

A game bird habitat stamp must be displayed on every licence to hunt or kill game¹. The purpose of the Habitat Stamp Programme is to raise funds for habitat enhancement. Five dollars (\$5)² of the game licence fee is assigned to the stamp as income for the programme. If you own or help manage suitable game bird habitat including wetlands, you are welcome to apply for funds raised from the habitat stamp programme. To apply see the Game Bird Habitat Trust website <https://fishandgame.org.nz/environment/protecting/protecting-nz-game-bird-habitats/the-nz-game-bird-habitat-trust> for details. Applications close June 30.

SHOTGUNS AND USE OF NON-TOXIC SHOT

Game bird hunting can only be undertaken with a shotgun of a 10 gauge or smaller (including 12, 16, 20, 28, .410). Mandatory use of non-toxic shot applies to all waterfowl hunting, (Cl5, Open Season for Game Notice)).

This ban is mandatory across all lands (public and private) whilst hunting water fowl within 200 metres of all waterways and wetlands.

For more information refer below or to www.fishandgame.org.nz

WILDLIFE ACT 1953

The hunting of game is governed by the provisions of the Wildlife Act 1953. The Minister for Hunting and Fishing declares an open season for game annually in the New Zealand Gazette (see below). Some important provisions of the Wildlife Act are covered here. The Act and its companion Wildlife Regulations 1955 can be viewed in full online: <http://www.legislation.govt.nz/>

HUNTING IN AUCKLAND/WAIKATO

Hunting today suffers many threats; wetland drainage, habitat degradation, pollution, the animal rights lobby, ecofundamentalists, paranoia over firearms and worst off all, indifference.

There are groups who safeguard and share your interests. To join a group concerned with game bird hunting and the outdoors, please contact your local user group.

HUNTING ON FISH & GAME AND CROWN LAND

A General Authority (free to all licence holders) is required to hunt on Fish & Game Land – some 1700ha being owned by the Auckland/Waikato Region purchased from hunters' and angler's funds. The Authority can be obtained by sending a request via website under "Hunting locations and access" or sending a stamped, self-addressed envelope to Auckland/Waikato Fish and Game, 156 Brymer Rd, RD 9, Hamilton 3289.

To hunt on Crown land managed by the Department of Conservation (DOC) you require a similar permit (also free) from DOC.

FORESTRY PERMITS

Rayonier Forests: Tairua (Whangamata); Maramarua (Te Kauwhata); Waihou (Te Aroha); and Mahurangi (Warkworth).

Permits for Rayonier Forest blocks can be obtained from our office.

The cost of the permit for the season is \$50 and covers all four forests. This fee is to cover all processing fees, colour maps, as well as a Public Liability Insurance while hunting in any of their forests.

Hunters requiring a permit must provide the following payment details (internet banking) to be completed once confirmed:

- Name, address and phone numbers
- Date of Birth
- Game Bird Licence number
- Firearms Licence number
- Vehicle Registration
- Dog Registration number.

Permits can be filled in via website under “Hunting locations and access”, emailed to aucklandwaikato@fishandgame.org.nz or posted to Auckland/Waikato Fish and Game, 156 Brymer Rd, RD 9, Hamilton 3289.

TAKE A MATE HUNTING

FOR ONLY \$5 Do you have a mate, relative, friend, co-worker or know somebody who is keen to give duck hunting a go, but doesn't want to pay the full cost of a licence? If so, on a strictly first come, first served basis, limited to the first 100 hunters who email into the Auckland/Waikato office with their 2025 Game bird Licence number, we will let you take your mate hunting on opening weekend for the \$5 cost of the Habitat Stamp which is displayed on the licence – which as you will recall is used solely to create, protect and restore wetland habitat.

The offer is strictly limited to those people (i.e. the mate) who have not purchased a licence before (and we can check via extensive database records going back over the last decade) – the offer is only for opening weekend – recipients of the mate's licence must be accompanied by a whole season licence holder. The offer only applies to the Auckland/Waikato Fish and Game region and the mate must of course comply with the Game Hunting Regulations.

There is no better opportunity to introduce your friend, spouse, son or daughter to game bird hunting.

It takes more than luck

to get a duck

A good bag, and a safe, enjoyable day hunting has nothing to do with luck. **This duck season we urge hunters everywhere to:**

- » Have a plan for their maimai, so everyone knows what to do before the first ducks arrive.
- » Always treat every shotgun as if it is loaded.
- » Handle your shotguns with care - never lean them where they could slide or be knocked over.
- » Do not drink alcohol before or while hunting, or hunt with anyone else who has been drinking.
